

The Justice Department has an injunction against myself and Free Enterprise Society which you read on the last page.

The injunction orders me or Free Enterprise Society to provide the Justice Department with the names addresses and social security numbers of anyone who purchased these items “W4 Alternative Withholding Package,” “IRS Lien and Levy Package,” “Reliance 2000 Program,” and/or “16th Amendment Reliance Package” from Free Enterprise Society.

Free Enterprise Society and I do not keep any records about the sales of any items and therefore I do not have any names addresses or social security numbers to send to the Justice Department.

If you purchased one of the above mentioned items and would like either I or Free Enterprise Society to send your name address, social security number and which items you purchased I will provide that information to the Justice Department in accordance with the injunction order. However, I would suggest that you to seek competent assistance of counsel in accordance with your first and fifth amendment protections prior to sending any such information

Send any submissions to FES, 6083 N. Figarden Drive #208, Fresno, Ca. 93722
